**Re:** Application for internship in Israel

Dear Sir,

I am so interested with great pleasure to apply for the internship program for 2020/2021 intake in Agriculture related activities as an internship offered by the state of Israel. I am applying for this internship program in AGROSTUDIES center wishing to exploit the agricultural knowledge and skills from it since I realized that on completion of the provided program, I shall be equipped and make use of the attained skills for the agricultural development of my home country.

I am a holder of a Bachelor's Degree with honor in Agribusiness issued at University of Rwanda/College of Agriculture, Animal Sciences and Veterinary Medicine (UR/CAVM) with distinction. Due to my commitment, desire to learn, hardworking and familiarity to agricultural activities, I assure you that I will successfully perform this internship program in case my application is taken into consideration.

Thank you for considering my application. I look forward to hearing from you about this exciting opportunity.

Yours faithfully,

Eric TUYIZERE
